Bunnies
Thumper's
Shapes

Thumper and his sisters thought of a brand-new game one day.

They'd search for shapes in the forest, their favorite place to play.

First, the bunnies found an oval in a shady chestnut tree.

Then, a silky triangle that
was shimmery as could be.

Down on the ground, four
small twigs formed a square.

Up in a tree, there were hearts everywhere!

Rectangles made of stone
led the bunnies to a treat. . . .

The very last shape—
a circle of clover to eat!
